Gianine,

Will do. My pleasure.

We need to know exactly when you need the lot, including any set-up and break-down. We also need to know exactly what you will be using the lot for. Once we have that, we will have to check with the Council Office to see if they have any objections.

Hi Rauhman,

Please let me know when it is received. We did priority overnight so it would arrive by Noon yesterday.
Thanks for the head's up regarding the signs.

Secondly, we have a second event I need to obtain the lot for. I am working on insurance right now. The event is for Wed. Aug. 30th, 2017. What would you recommend to start the process and expedite it for this second permit.
Your input would be greatly appreciated.

All the best,
Gianine

Good Morning Gianine,

I did check the tracking number this morning and noticed that your letter was delivered yesterday. Unfortunately, at this time, we still have not received it. Sometimes the mail room can take time to sort everything. Hopefully we should be receiving it soon.

The signs will be ordered as soon as we receive payment and all the other necessary documents we requested. Once ordered, DOT will put the signs up on the lot 24 hours ahead of the event.

Let us know if you have any other questions.

Good Morning,

We are coming up close on the date for your event on August 13, 2017. Just wanted to let you know that we will need the WC waiver, the fees, and the deposit by no later than Wednesday August 9th before 1 pm so that we can order your "No Parking" signs for the event. If these items are not in our possession by that time, we can't guarantee that the sign shop will have enough time to put the signs on the lot for your event. Please let us know if you have any questions.
